Snowboarding

Snowboarding is a winter sport. You can only go snowboarding

Example

outsidewhen..... there is snow on the ground. It's

1 different from skiing because both of feet
are on one board.

The first idea for snowboarding came from two sports: surfing

2skiing.

An engineer made the first snowboard. His daughter

3skiing, but she wasn't good

4it. He had an idea. He put her two skis

5 together so moved like one board. He named

6 first snowboard a "snurfer"! His daughter

enjoyed skiing on her "snurfer" a lot!

Skateboarding is also like snowboarding.

7 you ever tried skateboarding or

8 snowboarding? I have tried them, but

next year I'm going to the mountains with my family. I'm

9 to try skiing and snowboarding! I think they

10 are the exciting sports in the world.
