### Sam and his pet mice

My name is Sarah and I have an older brother named Sam. He loves animals and he has a lot of pets. He has five mice and three rabbits.

The rabbits live in the garden. They are black and their fur feels very soft. Sam keeps the mice in cages in his bedroom. His favorite mouse is gray. It's called Jerry. I like the rabbits, but I don't like the mice.

Last Saturday morning, Sam was in his bedroom playing with his mice. Suddenly, he came running downstairs into the living room. "Mom, Dad, Sarah!" he shouted. "I can't find Jerry." Dad came in from the kitchen. "Oh, no," he said. "Tell us what happened." "I played with Jerry," said Sam. "And then I put him in his cage. After a few minutes, I looked for him in his cage and he wasn't there. I think I forgot to close the door."

"I have an idea," I said. "Jerry's favorite things to eat are carrots and cheese. Let's put a carrot and some cheese in his cage. When he gets hungry, he'll go home." "That's a good idea," said Dad. Sam went into the kitchen and got some cheese and a carrot. He went to his bedroom to put them in the bowl in Jerry's cage. Then we heard a noise. It sounded like Sam was laughing. "Jerry's in his cage and his bowl is already empty. Now he's waiting for his dinner!"
